

Textile Roofs '97

The Second International Workshop on the
Design and Practical Realisation of
Architectural Membrane Structures

Technical University Berlin, May 15-17th 1997

Location

Technical University of Berlin
Main Building
6th Floor
Straße des 17. Juni 135
D-10623 Berlin

Programme

Thursday May 15

08:00 Registration

09:00 **Welcome and Subject Overview**
Prof. Dr.-Ing. Lothar Gründig
Technical University Berlin
Germany

Physical Modelling
Prof. Monjo-Carrío,
Universidad Politecnica de Madrid
Spain

Computational Modelling
Prof. Dr.-Ing. Lothar Gründig
Technical University Berlin
Mr. Erik Moncrieff
Technet GmbH
Germany

12:30-14:00 Lunch break

14:00-17:00 "Hands on" Physical and Computational Modelling Session I

18:00 Special Guest Evening Lecture

Friday May 16

09:00 **Economic Factors**

Mr. John Pudenz
Koch HighTex
Germany

Good Structural Forms

Prof. Marijke Mollaert
Vrije Universiteit Brussel
Belgium

Project Management and the Design Process

Dipl.-Ing. Horst Dürr
Ingenieurgesellschaft Flächentragwerke
Germany

12:30-14:00 **Lunch Break**

14:00-17:00 **"Hands on" Physical and Computational Modelling Session II**

18:30 **Evening Reception**

Saturday May 17

09:00 **Detailing and Connection Design**

Mr. Matti Orpana
Tensotech Ltd.
Finland

Future Developments

Prof. Dr.-Ing. R. Wagner
Festo KG
Germany

13:00-16:00 **"Hands on" Physical and Computational Modelling Session III**
